Title

Website for Student Teacher

Student

Pablo Robles

Advisor

Dr. Ernesto Gomez

Abstract

I will be working with Bailey Wilkins in creating a website to fit her needs as a student teacher. She received this as a project by her instructor Lucy Lewis. The website is not meant to go live just yet, as she works her way into getting the necessary credentials to begin teaching. I have always been curious as to what goes into a website and by helping out a fellow student I was finally able to satisfy my curiosity.
