**CSE 595 Independent Study Project Presentation**

**Date**

November 18, 2014

**Time**

12:00pm

**Place**

JB 360

**Title**

Additional Content Modification for Skyrim

**Student**

Jennifer Waterson

**Advisor**

Dr. Turner

**Abstract**

This Independent Study project features an additional content mod for The Elder Scrolls V: Skyrim with specific focus on 3D level design using the Skyrim Creation Kit. This mod features a new handcrafted world with a forest, a haunted mansion, an abandoned village, a hidden dungeon, and a quest for treasure.
