CSE 482 Senior Project Presentation

Date

December 5, 2014

Time

11:45 – 12:00 PM

Place

JB359

Title

Network Engineer

Student

Anthony Thap

Advisor

Dr. David Turner

Abstract

My senior project presentation will be on the work I did as a network engineer intern at First American Title Insurance. I will describe the daily tasks I had and projects that I was a part of. I will also describe what it means to be a network engineer and how the career itself partakes within a company. I will also be speaking on some of the devices I worked on as a network engineer, such as switches, and routers.
