CSE 595 Independent Study Presentation

Date

December 5th, 2014

Time

3:30pm

Place

JBH 359

Title

Mathematics REU web page.

Student

Ryan Rady

Advisor

Dr. Arturo I Concepcion

Abstract

The goal of this independent study was to develop a way for students to apply for the REU program at CSUSB through digital means rather than by sending paper applications through the mail. The New REU application web site will look and feel like an extension of the CSUSB web site, while allowing students to apply for the program and allow the directors of the program to access the applications digitally.
