## **CSE 482 Senior Project Presentation**

### **Date**

March 27, 2015

### **Time**

12:00 PM

### **Place**

JB 359

### **Title**

Web Accessibility and Developing

### **Student**

Claudia Tristan

### **Advisor**

Dr. David Turner

### **Abstract**

I will be presenting my work as an assistant Web Developer at the John M. Pfau Library. I will describe my daily work schedule and a few projects I have helped in and worked on. Some of the projects include creating a mobile version of the Library website, working with HiSoftware Compliance Sheriff to maintain web accessible sites, maintaining accurate information and updates on several library servers, as well as daily web related help to the library staff.
