

California State University San Bernardino
School of Computer Science and Engineering

CSE 595 Independent Study Presentation

Date

December 12th

Time

3:30PM

Place

JB 359

Title

Desktop and Mobile Web Development

Student

Luis Campos

Advisor

David Turner

Abstract

My presentation will be based around what I learned over the past few months throughout my independent study. Topics that I will reflect on will primarily encompass the use of Git, HTML, CSS, Javascript, Android and a few more.
