CSE 575 Internship Presentation

Date

March 27, 2015

Time

1:00 PM

Place

JB-359

Title

CodeIgnitor

Student

Michael Garaysi

Advisor

Dr. David Turner

Abstract

The purpose of this Independent Study was to update the CSUSB Recreational Center Website. The website uses CodeIgniter, which is a very powerful open-source PHP framework. This seminar will discuss the basics of using CodeIgniter and applying it to CSUSB Recreational Center dynamic website. We will take a look at some of the updates made to the website along with process of creating a working form using controller functions.
