## **CSE 482 Senior Project Presentation**

### **Date**

March 27, 2015

### **Time**

12:30 PM

### **Place**

JB 359

### **Title**

Doll Dress Up Game

### **Student**

Deanna Sulli

### **Advisor**

Dr. David Turner

### **Abstract**

I will present a doll dress up game made using HTML5 and Javascript. I worked on the illustrations for the character and the clothes, the user interface design of the game, and the front end code. This game is the beginning of a project I will continue to work on after graduation.
