CSE 575 Internship Presentation

<u>Date</u>

June 16th 2015

<u>Time</u>

4:00

<u>Place</u>

JB 359

<u>Title</u>

Biometric Information Systems

<u>Student</u>

John Anthony Sterrett, Jr.

<u>Advisor</u>

Yasha Karant

<u>Abstract</u>

During the summer of 2014 I interned at the MITRE Corporation in Clarksburg, West Virginia. There I worked on an open-source program to allow for the viewing, editing, and validation of biometric data files used by various national and international agencies. In this presentation I will give an overview of the

system, my work therein, and the ramifications of my work on law enforcement and security going forward.
